Reunion

The most recent family reunion was held July 26 to 28, 2019, at Stone Castle Hotel and Conference Center in Branson, Missouri. Sixty-one people attended, and we believe everyone had a good time.

The planning committee for the next reunion is Jennifer Bowyer, Ray Bowyer, Kathy Carnell, Marilyn Harbaugh Janelle Hoffpauir, Jeremy Hoffpauir, Carol McNary, and Rick Melone. Jeremy is the chairperson.

An auction of family memorabilia netted adequate funds to sustain the organization until the next reunion.

The planning committee decided to have another reunion in 2021, but left open a decision on where it should be held. Anyone with suggestions on this subject should contact Jeremy at jeremyhoffpauir@gmail.com.

Some family members have suggested holding a mini-reunion in 2020 in the Walnut, Kansas, area. Anyone interested in this should contact Carol McNary at dcmcnary@sbcglobal.net or 913-897-7598.

A Note from Jeremy

Thank you to everyone who attended the reunion a few months ago in Branson, Missouri. We had a fantastic time together as a family and had an impressive turnout, including several new faces (and faces we haven't seen in a while). Branson was something new for us, but the response was mostly positive. We enjoyed touring the Titanic museum (and waiting for the locksmith to come unlock our car with the keys inside), playing pirate miniature golf, exploring Branson, and sharing stories with each other.

Personally, I would like to thank all of the committee members as well. Without the help of each of you, and others who pitched

in, the reunion couldn't happen. It truly is a joint effort and I am thankful to have such a great group to work with!

We are currently working to secure our location for the next reunion in 2021 (it's strange to write that number...time flies by so quickly), and we will announce that location once it is finalized. In the meantime, I encourage you all to stay connected however you can. We live in an age that allows us to interact much more easily than ever before across great distances! Also, be sure to block out some time in late July/early August of 2021 for our next family reunion and be sure to join us!

"I have ALS. My body is weak. I can't do anything that uses legs or much with my arms. My voice is weak. I can't speak and if I do it's hard for people to understand me. I can still tell jokes with my talking app on my phone. But try to remember who I used to be. Because that is who I still am. On the inside. I'M STILL HERE! I'm just trapped inside of this body that doesn't work well with a voice that doesn't speak well. But I'm still here. I haven't changed on the inside. My sense of humor hasn't changed. My intelligence has changed, which means that ALS has made me smarter. My faith HAS changed a bit. It's stronger than before. My love for family and for all people has also changed a bit. It's stronger than before. I hope that those of you who knew me before ALS will remember me as I was. That is who I still am. Yep, I'm still the guy who coached soccer and basketball, even played

them at practice. The guy who beat everyone at corn hole.”
