Reunion

The planning committee reluctantly made the decision that there will not be a Bowyer-Lyness reunion in 2021, because of the Covid-19 pandemic. To the knowledge of the old-timers in the family, the Bowyer reunions started in 1949, and merged with the Lyness reunions in 1953. The Lyness reunions had been held regularly since 1928. This is the first odd-numbered year since then not to hold a reunion.

A Note from Jeremy and Janelle

What a time it has been since our last get-together as a group! I know it's been a trying time for many of our family members, as we've struggled through the pandemic and all of the social and political issues going on in our country right now. But, thankfully, we have each other to lean on for support. Unfortunately, it was virtually impossible to plan a full reunion for this summer, not knowing how all of it was going to play out, so your reunion council made the difficult decision to delay the in-person reunion to next summer, 2022. Once we have more details for that event, we will be sure to let you know so you can plan accordingly, but we will make all attempts to schedule it for the end of July 2022, as usual, so you can reserve that time to come join us.

In the meantime, we don't want to have to wait an entire year to see your smiling faces again, so your council has decided we should have a virtual reunion this year! We can catch up, see how everyone's doing, talk a little business if we need to, and make plans for 2022. We hope you will join us for the virtual reunion on July 11 (next month!) starting at 3pm ET. Once we have the link set up, Ray will send it out to everyone, so keep an eye out for that and plan to hang out with us for a few hours that afternoon!

It will be great to see everyone virtually next month, and in person next year. We hope you will join us!

Family News—Other than Pem and Josie Descendants

Just before Memorial Day, Carol McNary and her niece went to Walnut cemeteries. They took all the supplies to trim, and try again to clean the mold off Enoch and Melinda's tombstone. There lo and behold was a brand new stone! The old soap stone one was gone and a new granite one sat on the old base!

Carol has no idea who to thank! She used funds collected at a reunion one year to buy the mold remover so we could read the inscription at least - and have continued that for many years. Carol was rained out with cemeteries unreachable in 2019, and last year was Covid lock down. A BIG thank you to Whoever had this marker changed! WE ALL APPRECIATE YOU!!!!
