## Reunion

Our next reunion will be July 24 to 26, 2009. See Marilyn's letter for more detail.

## A Note from Marilyn

Sometimes I wonder where time goes. This morning I was awakened to the sound of a flock of geese going south for the winter. And this morning, they talked about the cold front moving into Oklahoma (down to 60 degrees). I wonder where the summer went!!! I hope you have all had a good summer and a good year since the last family reunion. And, now in 10 months, we will be having our next reunion.

Again, we will be meeting in Divide, Colorado and the reunion will be July the

24th through the 26th. As many of you know, we voted to see if we could find another facility as an alternative location. As far as I have heard, no other sites have been recommended. If you have a location that you believe would be good for the next reunion, and if you can get information about it, including availability, cost, etc. the information needs to be sent to Rick Malone at richardmelone@yahoo.com. The site at Golden Bell has worked well for us for many years, but we have been thinking that a change might be a possibility. One item of concern has been that the altitude bothers many of us who may have breathing or respiratory problems.

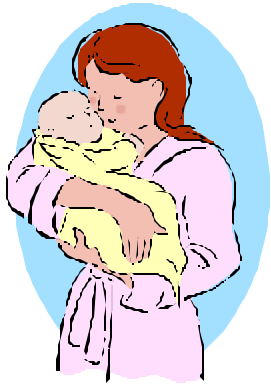

But, for next year, I hope that you have put July 24-26 on your calendar and are making plans to go to the coming reunion. For those of you who have not been to one of the reunions, it is at the Golden Bell Camp and Conference Center. Activities available are basketball, volleyball, indoor swimming, miniature golf, wall climbing, and hiking. We will also plan a field trip for those interested. In the next newsletter, we will have a schedule of events and finalized cost. At this time, we do not have next year's price, but it should not be too different from last year:

Adults 12 and over: \$125.00  
Age 7-11: \$80.00  
Age 2-6: \$40.00

Under 2: no charge

This price includes two nights lodging and six meals. So, make plans now to come and enjoy a weekend of fun, games, looking through old pictures and enjoying a beautiful view of Pike's Peak.
